

# Concessions on Water & Sewerage Charges 2009–2010

## Water & Sewerage Concessions provide eligible card holders with:

- 50% off water and sewerage costs up to a maximum of \$216.60 per annum; or
- if a household is billed for only one water or sewerage service, the concession is capped at \$108.30 per annum.

## To receive the water and sewerage concessions:

- you must be responsible for the account
- the property must be used for residential purposes
- the property must be your principal place of residence; and
- the name and address on the card must be the same as the name and address on the account

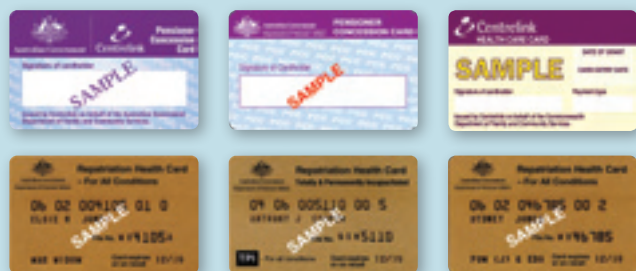

To apply, contact your water corporation.
