**Response to
Consultation Paper May 2009 re: Proposal for a Victorian Carers reward card –
options for the implementation and delivery of the card**

- In reading the documents it would have been easier to see the definition - who is a carer? earlier on in the paper.
- Option two – does not recognise foster or kinship carers so would not be advantageous to foster carers
- Option three – is the favoured model for foster carers
- Foster Care Association of Victoria will get back to you with some feedback and options for the types of discounts that will be most valuable.
