## It's not OK to be away It's more cool to be at school

### Support your child's education by:

Helping your child to develop the habit of being at school or kindergarten each day by ensuring they get there on time - NO excuses.

Contacting your school or kindergarten if your child is unable to attend.

Having doctor and dentist visits before or after school.

Going shopping with your child after school or on weekends.

Having Birthday parties or special events after school or on weekends.
