

Your information is private.

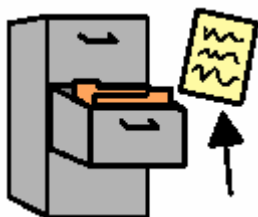

Services work together.

For example,

- Community Health Service
- Doctor
- Hospital
- Local Council Services
 - Meals on Wheels
 - District Nurse

The services work together to help you get better care.

Each service writes information in a file.

Each service will record

- your name and address
- your health needs now.

You must give permission for us to share this information with other services. For example, your local doctor. You can choose what information we share with other services.

You do **not** have to give permission to share your information.

It is OK to **not** give permission. We can still give you a service.

Talk to a staff member

- for more information
- to look at your file
- if you have a problem or complaint.
